Brussels, 18 April 2011

Dear Prof. Vladimír Krčméry,

I have the pleasure to inform you that the EUA Council has approved your application for **individual full membership** in Aarhus on 13 April 2011. Therefore, I would like to welcome your institution as a member of the European University Association.

A formal acceptance letter, together with the latest EUA publications and an invoice for your 2011 membership fee, will be sent to you shortly by regular mail.

EUA membership is for the entire institution and therefore Heads of Administration, Research, Communication and International Relations will also receive information about our Association in order to acquaint themselves with EUA.

As a EUA member, you will be informed regularly of EUA activities and services which are presented in detail on our website, www.eua.be, and through electronic news. This includes information about developments, trends and political issues linked to European higher education and research. A username and password, to give you access to the restricted membership area as well as a membership directory, will be sent to you within the next few days.

EUA counts on institutions such as yours to promote and develop the strength and specificity of higher education in Europe. Indeed, it is by demonstrating the outstanding representation of the Association to our political and social partners that the higher education community is able to speak its voice. I therefore encourage you to participate in EUA activities and projects, thereby contributing to the presence and influence of the academic world in Europe. In turn, you are able to benefit from the various services that give the Association its unique identity such as conferences, training seminars, institutional evaluations and networking opportunities.

We look forward to working with you in promoting partnerships in higher education and research within Europe. Please do not hesitate to contact Sue Pavis (sue.pavis@eua.be), if you have any questions.

Yours sincerely,

Professor Jean-Marc Rapp
EUA President
